InnerSource Natural Health is NY's premiere holistic medical clinic with nationally recognized doctors that provide comprehensive integrative medical care to allow patients to obtain optimal vitality.

At this amazing event, Dr. Pina and Dr. Peter will be available to speak with you about your health concerns. They will offer Chinese medicine and acupuncture assessments, sign their best selling books, and explain their uniquely created supplements designed for optimal health and looking your best.

Replenish is an Integrative Health and Wellness Facility specializing in Vitamin Infusion Therapy.

Replenish will be offering 2 kinds of injectable services that evening at a discounted price:

B12 Injections and D3 Injections

We also will be offering Botox

Along with our full line of Anti-Aging Beauty products and handcrafted soaps.

If you are interested in any of our Injectable services, arrangements MUST be made ahead of time because availability is limited and must be pre-paid. Please call (631) 547-4100 and ask to speak with our concierge, Mary Beth to schedule your injection for that evening.
