Special Event: Healthy Gut, Thinner You

Are you struggling with extra weight, bloating, gas, headaches, fatigue, acne, eczema, sore joints, brain fog, autoimmunity... or any combination of these seemingly unrelated symptoms?

Please join Dr. Peter and a number of other expert doctors and health practitioners over the next week for the **Healthy Gut Thinner You Webinar** and learn why a healthy microbiome is the secret to:

- losing weight
- a balanced mood
- lowering inflammation
- healing IBS and digestive problems
- staving off heart disease and cancer
